2016 TRISAETUM ESTATES RESERVE PINOT NOIR

"Dark red. Suave, spice-accented aromas of raspberry preserves, pungent flowers, incense and cola, along with a hint of smoky minerality that builds with air. Plush and expansive on the palate, offering deeply concentrated red and blue fruit, allspice, vanilla and floral pastille flavors that are given spine by a core of zesty acidity. Shows superb definition and floral lift on a strikingly long, penetrating finish shaped by silky, slow-mounting tannins."
