2017 WILLAMETTE VALLEY PINOT NOIR

TRISAETUM STORY

In 2003, Andrea and James Frey founded Trisaetum in one of the few places where climate, soil, and entrepreneurial spirit combine to produce some of the world's best wines. Today, the family owned and operated winery in the heart of Oregon's Ribbon Ridge AVA produces small lots of acclaimed Pinot Noir, Riesling, and Chardonnay from its three estate vineyards.

WINEMAKER'S NOTES

This Pinot Noir is a combination of barrels from our three estate vineyards, representing the best AVAs of Oregon's Willamette Valley. Deep ruby in color, with aromas of cranberry, blackberry, and baking spices. Dark fruited flavors of plum are brightened by summer blackberry, hints of licorice and star anise linger on the complex finish. Plush tannins round out the vibrant acidity and allow the luscious fruit to shine through to the finish. Enjoy this classic Pinot Noir now and over the next 8 years.

VINTAGE & WINEMAKING

The 2017 vintage started slightly early, with bud break at the beginning of April, and progressed through a warm, dry growing season. Pinot Noir was picked starting September 13th on the Ribbon Ridge Estate, and concluded on October 10th when the last of our fruit from the Coast Range made its way to the winery. More than 25 days between the first pick and the last pick is always a good sign. Given the warm, dry vintage, James opted to start all ferments with native indigenous yeast and employed whole-cluster fermentations fifty percent of the time.

ESTATE VINEYARDS

Coast Range Estate: 16 acres of Pinot Noir are planted in a unique mix of volcanic and marine sedimentary soils on the cooler and very steep slopes of our vineyard in the Coast Range at the southernmost tip of the Yamhill-Carlton AVA.

Ribbon Ridge Estate: 12 acres of Pinot Noir are planted in high-quartz sandstone soils at the warmest site of our three estates in the heart of the Ribbon Ridge AVA. This estate is also home to our modern winemaking facility.

Wichmann Dundee Estate: 6 acres of Pinot Noir are planted in volcanic Jory soils typical of the Dundee Hills AVA. This old vine site is also the highest in elevation, at 700 feet, of our three estate vineyards.
